**Availability:** In Stock

### **Short Description**

This 2016 Keystone Retreat 40ft trailer is in very good condition situated on a large site in our adult area.

Key features include:

- Large open kitchen with ample cupboard and drawers, full size fridge & microwave propane stove with oven & a table with seating for 4.
- Living area opposite the kitchen with a large comfortable couch allowing easy interaction with guests while preparing meals or snacks.
- 2 bathrooms, a 3 piece with a shower, the 2<sup>nd</sup> a 2 piece, conveniently located at the rear of the trailer next to the guest's bedroom and rear trailer entrance (easy access from outside when on the deck or around the fire pit)
- 2 large bedrooms; a master bedroom at front of trailer with queen sized bed (new Endy mattress 2024) and second bedroom with a bench table that converts to a bed, bunk beds and a pull-out queen bed.
- Central air conditioning & heating with a propane furnace
- Large screened LED TV conveniently located on centre wall (above electric fireplace) so visible to everyone in kitchen, dining and living areas.
- Central Vac with hose and extra bags.
- Plenty of storage drawers & cupboards everywhere.
- Outside shower

Noteworthy details

The roof has had an extra thick caulk around the seams to keep water tight.

The outdoor TV siding had a special treatment to prevent fading & water marks.

Shed, decking, picnic table, BBQ with side burner and several other items listed are included.

This is a great choice for a couple who want to be able to accommodate overnight guests and or grandchildren.

### **Asking price is \$38,000**

It's also possible to arrange for this trailer to be moved to the family area. (purchaser to pay if wants moved)
